The Savannah River Rifle and Pistol Club (SRRPC, Inc.) is a National Rifle Association Senior Club, Civilian Marksmanship Program and Gun Owners of South Carolina affiliate. Established in the 1950s, this recreational shooting club has the objectives of the promotion of firearms safety and marksmanship.

Shooting facilities available to members include limited access to the Aiken Department of Public Safety indoor range and daylight access to the club range near New Holland, SC.

The SRRPC range is situated on 40 acres, and currently includes a 100-yard rifle and pistol range with a covered firing line. Development plans include the construction of separate 25 and 50-yard pistol and Smallbore rifle ranges and a 200-yard rifle range. Access to the ADPS range is scheduled in advance and requires the presence of a range officer.

Regularly scheduled activities include separate monthly high power rifle and pistol matches, Smallbore rifle matches, Smallbore rifle silhouette matches, and IDPA (International Defensive Pistol Association) matches. Smallbore rifle matches are occasionally conducted at the ADPS range. Range officers, dates and times are provided in the monthly club newsletter. A small fee is required for participation in club matches to offset materials and target costs. Open shooting is not permitted coincident with matches. During open shooting hours, targets, ammunition, and cleanup are the responsibility of the involved members. Compliance with posted range rules is expected.

Application for membership requires sponsorship by an active member. Approval and continuation is subject to the limitations specified in the SRRPC Bylaws.

Annual dues for a family membership are \$100.00, due January 1 each year; they are prorated for new members at the discretion of the Executive Committee. Current SC certified law enforcement officers, in the employment of local or state government, may join the club at a reduced rate of \$50/year.

For more information, or an application, please contact a club member or one of the elected members of the Executive Committee.

SRRPC Officers:

Jim Samsel, President	648-3174
